SOLENT FUTUREScape – SPONSOR INFORMATION PACK EVENT OVERVIEW

Following an outstanding and highly successful event this year, Solent FutureScape returns on 16 March 2027 in Hedge End. Building on the energy, engagement and impact of its inaugural conference, preparations are already underway to make 2027 even bigger and bolder.

As a landmark technology conference, Solent FutureScape showcases the Solent as a growing digital leader and stands among the most influential tech events outside London - bringing together business leaders to gain the insight, connections and strategies needed to thrive in an AI-driven world.

Location: King's Conference Centre, Upper Northam Rd, Hedge End, SO30 4BZ, near Junction 7 of the M27

Become a Sponsor of Solent FutureScape 2027

The South Coast's Biggest, Boldest AI & Tech Event Is Back - And Sponsorship Is Now Open!

Solent FutureScape 2026 was an absolute standout moment for the region - over 500 delegates packed into the King's Conference Centre for a day full of innovation, brilliant conversations, hands-on demos, and giant-robot chaos (thanks Titan!).

We're already shaping Solent FutureScape 2027 - and if you're thinking of getting involved, now's a fantastic time to join us.

And there is an early-bird offer available for sponsors confirmed by the end of May 2026!

What they said:

"... thank you and the team for the amazing conference you kindly invited me to exhibit at. We made some great connections and if they turn into business opportunities it could be the break we have been hoping for.

The event surpassed all my expectations and the quality of the attendees, and the leads generated was very high."

Why Be a Sponsor?

Sponsoring Solent FutureScape isn't just "brand visibility." It's about plugging your organisation directly into one of the UK's fastest-growing digital and innovation communities. You'll be shoulder-to-shoulder with the region's decision-makers, innovators, educators, founders, investors, and tech-curious SMEs who are actively looking for solutions, partners, collaborators and inspiration.

Here's what this year showed us:

- 94% of attendees rated the event Excellent or Very Good
- 92% said they plan to return for 2027
- 89% left feeling more confident using AI tools

Exhibitors made real connections that translated into meaningful leads and opportunities.

Sessions from Dame Wendy Hall, Felix Manoharan, Waseem Mirza and Suzi Ruffell were absolutely buzzing.

The energy in the building was exactly what the Solent business community is all about.

And here's what one of our 2026 sponsors said:

"You should all be super proud of yourselves for putting together such an amazing event in such a short time and can't wait to hear what you have planned next!"

Please pass on our thanks and congrats to the whole SGP team".

Dr John Flackett AiLab
